Fred C. Beyer (Home-Loving Family Man)

Fred was the only son of Mr. & Mrs. George Beyer, both natives of Germany. Fred was born on June 27, 1904. In order to be able to attend high school, (his parents insisted that all their children must get a college education), Fred and his sister, Elsie, got jobs working for board and room in nearby Mott and there attended Mott High School. Fred graduated as Valedictorian in three years. He would walk three miles to school every day. On completing evening chores he returned to the school to take his lead in the class play. He was known as a person with high adventures in those days

Fred qualified for school teaching by attending Valley City State Teachers College. He first taught in Burt, North Dakota. In 1930 he completed his B.A. degree, majoring in English and Music. He also got a scholarship to the University at Bayreuth. He assumed his first high school position at Oakes, North Dakota, as head of the English Department. It was there he met and married Frances Godfrey in 1934. Fred, after teaching in only high schools, took a job as an instructor at Modesto Junior College.

Fred Beyer organized and directed the Oratorical Society of Modesto and directed the Messiah in the Methodist Church for many years. Demanding of his employees, he earned their everlasting admiration and respect. Fred was direct and unafraid to express his considered opinion on issues. Always he was a simple, home-loving family man, devoted and tender to his family and wife, Frances, children Robert and Robertatwins, Carolyn Ann and Bette Lou. On November 20, 1968, in a plane crash Mr. Fred C. Beyer lost his life. He was 63 years old when that plane crash took his life.

And on behalf of this great man they have dedicated this new and beautiful school in his name. Fred C. Beyer High School

This year's Beyer High football squad did much better than was hoped for. With no seniors at this school we didn't go into the CCC. We did have a few Juniors that came out and there was just enough to label the "Junior Varsity." The J.V.'s had no real games this year but only scrimmages where no punts or kickoffs are involved. On Saturday mornings or on Monday after school they would sometimes set up scrimmages with other High School teams

The Juniors were a big help to the Sophomore team that wonand lost only twice. The first game the Sophomores came on strong to snuff the Manteca Sophomores 29 6. The Sophomores this year were a big boost to the spirit at Beyer and were just what was needed to provide a spark of spirit at rally's. The Sophomores played almost a full schedule this year and also weren't involved in any league play. They were more fortunate than the juniors, however, as their games were played on Friday nights. The Sophomores had good luck this year in filling a couple positions that are some times hard to fill. One was place-kicking and that was filled by Roger Berbena, and another was single safety which was taken by Ken Montero. The coaching staff this year was very exceptional with Dean Laun, Roger Fisher, Paul Cornwell.

frosh-soph water polo team

1972

The 1972-73 Beyer High School Water Polo teams did an outstanding job in their first year of organized competition. Headed by coach Bob Casci, the varsity team captured the Central California Conference championship with a 6-0 league record.

While there was no formal all-league team, three players, Doug Burke, Bill Lee and Brian Jones were named first team All Sectional. They later were invited to the Northern California Invitational where the sectional champs compete.

The amazing teamwork of this first year club helped them

attain a one win, two loss record at the event, beating Terra Linda 9-7 and losing to two more experienced and longer established teams of the bay area. Under recommendation from Coach Casci, Doug Burke was named to the All-American team.

The Frosh-Soph team showed some good form as a prospective team. Their overall record was a disappointing single win and seven losses, however, with more experience they should become big contenders in the future.

CROSS country

For a first year school, Cross Country made a fine attempt in representing Beyer High School in the C.C. Conference. All but one of our Varsity meets were forfeited. The one we did compete in was against Atwater High School, where we won 50 to 15. Our Juniors made a fine attempt, winning two and losing five. The Sophomore team came up with four wins and three losses. Our Freshman team was the most successful of the four teams, taking 2nd in the league, 2nd in the District, and 5th in the section

Uncle Sams Courier

Vol. I FRED C. BEYER HIGH SCHOOL, MCDESTO, CALIF. 95350 Oct. 6, 1972 No. 1

Volume 1. Number 1 of Fred Beyer High's student newspager hit the streets the day prior to the school's dedication in early October.

Bever is the only high school of the four in Modesto to write, lavout, paste-up and print the entire publication completely within the plant.

The journalism department with its news and editorial rooms is located amid the art, business, drafting and graphic arts departments.

Although the first year brought frustration and sometimes chaos to the staff and advisors of the departments which produced it, the U.S. Courier launched what surely will be a life of service and entertainment to the student body supporting it.
